

Preserving Resources,
Preventing Waste

Introducing
The WasteWise
Web Site

WWW.

epa.gov/wastewise

*“...offers a treasure trove of material about
WasteWise activities.”*

– Chaz Miller, Waste Age Magazine

Preserving Resources,
Preventing Waste

Through its Web site, WasteWise brings its arsenal of waste reduction information into cyberspace. Organizations can learn about the program, discover effective strategies, see how our partners are making a difference, and download or view the latest WasteWise publications.

www.epa.gov/wastewise

WasteWise Services

Learn about the services and benefits WasteWise offers partners, including:

- ✓ WasteWise Helpline and Resource Library
- ✓ WasteWise Representatives
- ✓ Public Recognition
- ✓ Partner Networks
- ✓ Electronic Communications
- ✓ Waste Reduction Publications

What's New?

The latest program news, upcoming events, new publications and links, and more!

WasteWise Publications

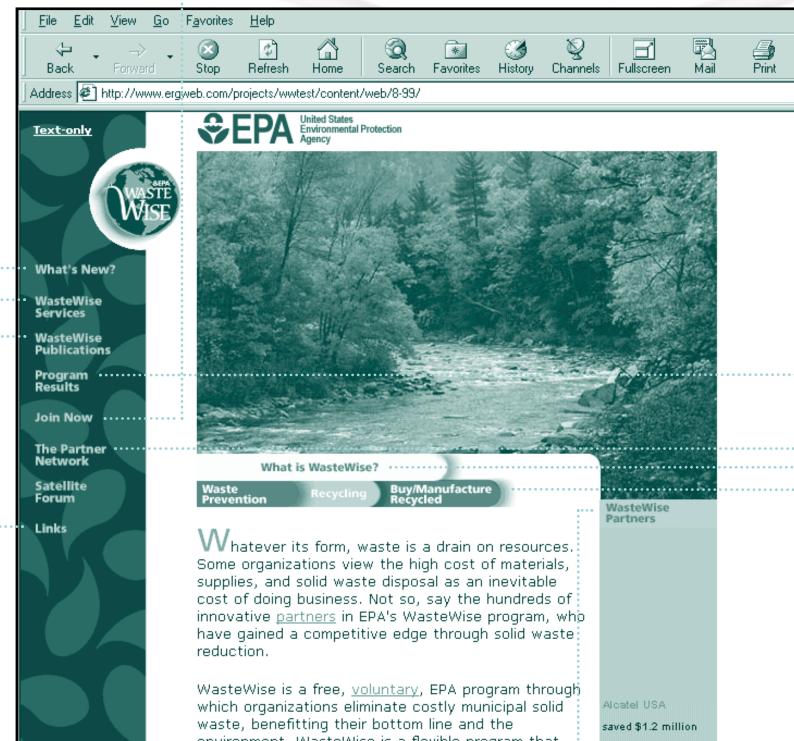

Find an array of EPA information and technical assistance publications, including:

- ✓ **Program Information.** Learn about the basic program requirements by downloading or viewing program brochures.
- ✓ **Progress Reports and Award Winners.** Read about WasteWise partner achievements and awards since the program began in 1994.
- ✓ **WasteWise Update.** Find information on key waste reduction strategies in the WasteWise program's principal periodical.
- ✓ **Industry Sector Publications.** See sample goals and read case studies for specific industry, government, and institutional sectors, ranging from beverages to electronics to utilities.
- ✓ **WasteWise Forms.** Interested in learning more about the reporting process? You can download the registration, goals, and annual reporting forms and instructions on how to complete them properly.

Program Results

Want to find out how many tons of waste program partners have prevented and recycled? Click here to view the cumulative results of partners' achievements.

The Partner Network

For Partners' Eyes Only! This area of the WasteWise Web site is exclusively for partners and provides up-to-date information and technical assistance to support partners' waste reduction programs.

What is WasteWise?

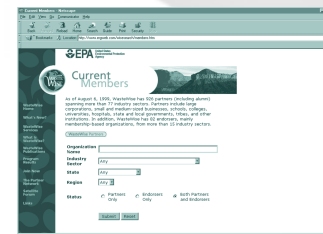

The who, what, why, and how of the WasteWise program. This area provides a general overview of the partner and endorser programs and what it takes to be a WasteWise partner.

Waste Prevention, Recycling Collection, and Buy/Manufacture Recycled

Learn how the WasteWise program works with organizations to improve efficiency and gain competitive advantage through these strategies.

WasteWise Partners

Curious about which organizations are WasteWise members? Click here to find out! You can sort by organization name, industry sector, state, or region.

For Partners' Eyes Only!

The WasteWise Web site offers special information exclusively for partners in the Partner Network site. It provides you, our WasteWise partners, with information and technical assistance to support your waste reduction program. Regularly updated, The Partner Network provides

members with online electronic reporting, access to reporting forms, valuable technical assistance resources, the latest program news, information on upcoming events, and answers to some of the most frequently asked questions by our members.

What's New?

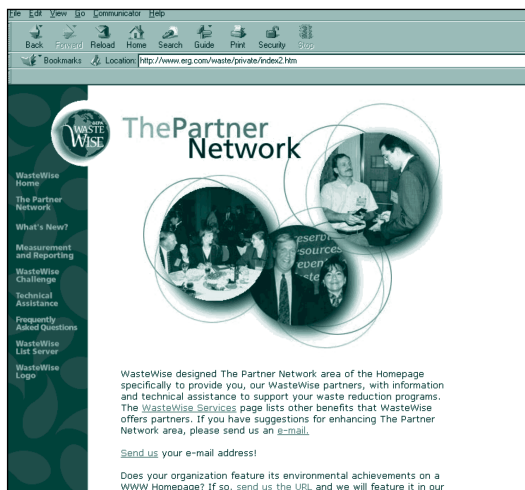

Find out about the newest resources on The Partner Network page. Link to new *WasteWise Bulletins* and library selections, or read about upcoming events and regional forums.

WasteWise Challenge

Have you already taken the WasteWise Challenge or are you interested in finding out more before you pledge? Get the latest news and information on the Challenge and take advantage of the resources available to help you meet your goals. You can even pledge online!

WasteWise Logo

Download the WasteWise logo and get examples on how you can use the logo.

Measurement and Reporting

Submit your goals and annual reports electronically! You'll also find tools and resources to help quantify and report your waste reduction accomplishments.

Frequently Asked Questions

Get answers to some frequently asked questions regarding program membership. Topics range from obtaining management support for the program to using the logo and involving other employees in waste reduction efforts.

Technical Assistance

Peruse a sampling of other technical resources. This page provides helpful information on waste reduction through a materials exchange page, WasteWise Library Selections, and issues of the partner newsletter, the *WasteWise Bulletin*.
